

How to get to the symposium

Airplane: Casablanca International Airport (AEROPORT Med V) is located only 35 km away from Mohammedia, within easy reach by car or train (please note that there is a correspondence to the station Ain Sabaa).

You can consult the train times at www.oncf.ma

Train: Mohammedia central rail station is within 7 minutes by car from the faculty of sciences and technologies (FSTM) and 5 minutes to the hotels.

Accommodation

A number of hotel rooms in different price categories have been reserved for the Conference participants (In Mohammedia and In Casablanca). The suggested hotels in Mohammedia below are all located close to the symposium venue. Both the symposium venue and the city centre are easily accessible by public transportation from the hotels in Mohammedia city.

For any information, you can also contact professor Khoumri : emkhoumri@yahoo.fr
