

SECOND ANNOUNCEMENT AND CALL FOR PAPERS

The first international symposium on "Analytical Chemistry for a Sustainable Development"

ACSD 2010

March 17- 19, 2010
Mohammedia, Morocco

Organized by

University of Hassan II – Mohammedia

Moroccan Society of Analytical Chemistry for a
Sustainable Development

Faculty of Sciences and Technologies of
Mohammedia (FSTM) - Morocco

Egyptian Society of Analytical Chemistry

Royal Society of Chemistry

Moroccan Association of Analytical Chemistry for Sustainable Development (AMCADD) organizes the first symposium on analytical chemistry and sustainable development at the Faculty of Sciences and Technologies of Mohammedia (Morocco). The symposium aims at bringing together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of Analytical chemistry. The practical challenges encountered and the solutions adopted will be discussed. The invited lectures have been selected to reflect the broad range of research interests giving attendees exposure to a number analytical science applications.

Topics

Symposium topics include

1. Spectroscopic methods (Raman, IR, Optical absorption, XPS)
2. Electroanalysis
3. Cosmetic and pharmaceutical analysis
4. Food and Environmental analysis

Call for abstracts

A major part of the meeting will be oral and poster contributions from students and researchers. Abstracts for oral and poster presentation are now invited. For full consideration, abstracts must be received by **December 20, 2009**. Brief abstracts should be emailed to ACSD2010 Symposium (amcaddassociation@yahoo.fr). Please include full contact details and say whether you are submitting an abstract for oral or poster presentation.

The abstract should contain :

1. Title /2. Name of authors / 3. Organization

Symposium Office

Prof. Mama El Rhazi

Chemistry department

Faculty of Sciences and technologies – University Hassan II

P.B. 146. Mohammedia - Morocco

Tél: (212-5) 23315352

GSM: (212-6) 61404127

Fax: (212-5) 23315353

E mail : amcaddassociation@yahoo.fr

Scientific committee

M. El Rhazi (chair)	FSTM - Mohammedia - Morocco
M. K. Khater	University of Cairo - Egypt
Yousry Issa	University of Cairo - Egypt
M. Grassebauer	Vienna University of Technology- Austria
R. Compton	University of oxford - UK
A.A. Alwarthan	King Saud University -Riyadh - Saudi Arabia
M. Rafiq	FSTM - Mohammedia - Morocco
B. Hammouti	Faculty of Science – Oujda - Morocco
K. El Kacemi	Faculty of Science – Rabat – Morocco
M. Akssira	FSTM - Mohammedia - Morocco
S. Alami Younssi	FSTM - Mohammedia - Morocco
E. Khoumri	FSTM - Mohammedia - Morocco
A. Chakir	FSTM - Mohammedia - Morocco
A. Khalidi	FSTM - Mohammedia - Morocco
M. Delaguardia	University of Valencia - Spain
F. Bedioui	ENSCP – Paris - France
K. Echcherki	FSTM - Mohammedia - Morocco
Yonas Chebude,	Addis Ababa University, Ethiopia
Shem Wandiga,	Nairobi University, Kenya
Alejandra Palermo,	Royal Society of Chemistry -UK
M.H. Gordoba	University of Murcia-Spain
Temechegn Engida	Addis Ababa University, Ethiopia

List of Plenary and keynote lectures

Manfred Grasserbauer, Vienna University - Austria

"The Environmental Challenge for Analytical Sciences."

Richard Compton, University of oxford - UK ,

"Electrochemistry in room temperature ionic liquids - towards improved amperometric gas sensors"

Moataza Khater, University of Cairo - Egypt,

"Analytical Chemistry and its Role for Sustainable Development. "

Fethi Bedioui, Ecole Nationale de Chimie de Paris

"Analytical methodologies for the detection of nitric oxide "

Duncan Graham, Strathclyde University- UK

"Techniques such as Raman and SERS also include some examples on UV and IR"

Karen Wilson, Cardiff University, UK

"STM and Auger and synchrotron radiation techniques"

Ignacio Villar, Addis Ababa University,

"XPS in ionic liquids"

Yousy Issa, University of Cairo - Egypt,

"Some Spectral Methods applied in Pharmaceutical Analysis"

Anthony Gachanja, University of Agriculture and Technology- Kenya

"Mass spectroscopy in East Africa: Challenges and Expectations"

Oral/Poster paper presentation

Oral papers will be allocated 20 minutes, of which presentation will occupy 15 minutes and discussion will take 5 minutes. Poster papers will be provided with suitable presentation space to ensure authors are able to show and discuss their works.

Official languages

The official language of the conference will be English and French and will be used in all correspondence, presentations and publications.

Important dates

Submission of abstract	20 December 2009
Notification of acceptance	20 January 2010
Registration fee	20 February 2010

Symposium registration fee

	Registration fee (Non member)	Registration fee (AMCAAD Member)
Students	100 €	60 €
Researchers	200 €	120 €
Industrials	250 €	200 €

Fees include documentation, lunches and coffee breaks

Participants are requested to complete and return the registration form together with their payment. Payment of the registration fee should be made, to the order of AMCADD, preferably before February 20, 2010. Payment can be made by:

- bank transfer to the account No: 021 787 000003901520389 820 at Credit du Maroc, Mohammedia - Rue abderrahmane Serghni – Morocco (Bic/Swift: CDMAMAMC). Indicating your name and "AMCADD" as a keyword

Publication

Communications (oral or poster) presented at the symposium will be submitted for publication in an international journal (Arabian journal of Chemistry). The final texts must be sending to Symposium Office before 15 March. Papers selected by the scientific committee will be reviewed and published soon after the conference.
